Kai Creative Writers!

We at British Airways are always looking to the sky, and more recently, the future! We need you, wonderful citiZens of KidZania London, to write the latest article for our signature magazine, High Life. Travel has been a bit restricted this last year, so we want to know about your dream holiday. Where will you go when we can? What will you see? Who will you travel with?

Use the brainstorm template below to plan your article by answering some key questions! Remember, use your imagination. Once you've written down a few bullet points for each question, start writing the full article on our writing template.

P.S Your ideal holiday destination doesn't have to be abroad. Staycations are Zuper popular nowadays and sometimes it's nice to stay closer to home! Where would you stay in the UK?

MY DREAM HOLIDAY

What will I eat?

What places will I visit?

How will I get there?

What activities will I do?

What will I bring home?

Where are you writing about? Somewhere far away like Shanghai or closer to home like the Lake District?

When we are allowed to do holidays again, I want to visit Brighton Beach. It is only about 2 hours away from my house, so it won't take long to get there by car.

Who are you going with? Are you travelling with friends or family? Or maybe even your school?

I am going to go with my brother and sister to visit our Auntie Donna and her dog, Freddie.

When will you go? Is it a summer holiday or perhaps a winter staycation?

We will visit during the school summer holidays because they last for 6 weeks! Lots of time!

What will you see on holiday? Any landmarks or museums you're desperate to visit?

I want to visit the arcade on Brighton Pier. It has special games called 2p machines where you can win money and prizes! I also want to eat fish and chips by the sea

Why are you going? Why did you pick this place in particular?

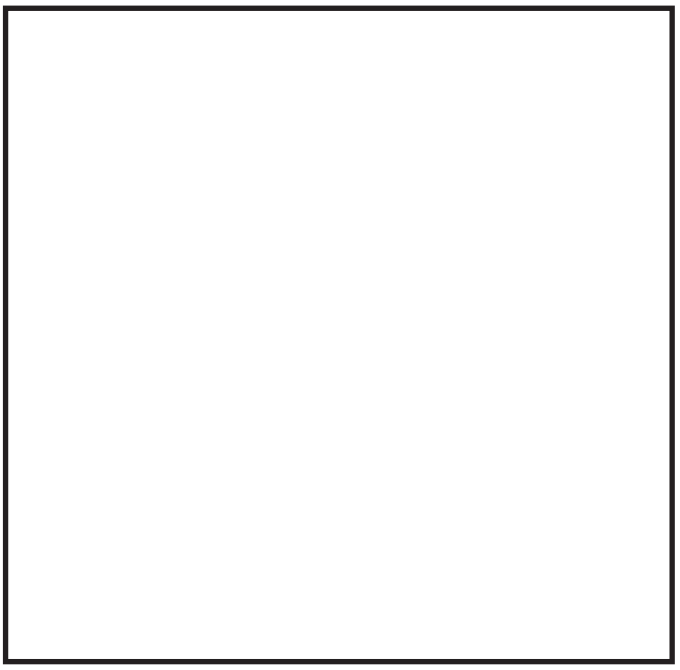

Brighton is my favourite place in the world because it was my first ever holiday destination and I can't wait to go back!
