

# KidZania Post-Visit Lesson 1

# Learning Objectives

- Exploring the skills required to be ready in the future for the world of work.
- Developing ambitions and recognizing that different careers require different skills and training.
- Analysing natural ability versus learning and training to develop their skills.

# What did you learn?

- What did you do?
- What skills did you need?

# How great are you?

- You are going to be thinking about yourself and your skills and abilities.
- You will understand how KidZania helped you to know that there are lots of jobs with many skills required.
- You will think about how you can develop your skills.
- Fill in the Spider Diagram about you.

# Your Skills

- What skills do you need for success?
- What do you need to achieve these skills for success?
- Fill in the Skills Worksheet.
- Talk to other people about your skills.

# KidZania Post-Visit Lesson 2

# Play the Career Game

Research different jobs that you might enjoy

# KidZania Post-Visit Lesson 3

# Personal Profile

- You need to create a personal profile to show employers how great you are.
- Use the Personal Profile Worksheet to write about yourself.
- Sell yourself and your skills.
- Ask for help from friends.

# Writing a C.V.

- Use your Personal Profile and the How to write a C.V. Worksheet to create your own C.V.
- You can use this to apply for jobs or for work experience.
- Show employers the best you that you can be!

# My Dreams

Write on a piece of paper the name of the job that you would like to do when you are older.

Seal the piece of paper in the envelope.

Write your name on the envelope.

Take it home and open it at the end of the school year.

What do you want to achieve?
